Gradation list of Medical Officers and Subordinates.

Gradation lists of Medical Officers and Subordinates for the half years ending with 31st Decr 1902 and 30th June 1903, were due from the Senior Surgeon. After several reminders, the Offg Senior Surgeon has sent only the list for the half year ending 30th June, 1903. This list being the recent one, the other list for the half year ending with 31st Decr 1902 may perhaps be dispensed with. Information given in the list as regards "date of birth &c" is stated to be not correct. It has been reported that correct info on all such points would be given in the next Gradation list.

A dozen Copies of the list have been received. These will, if approved, be distributed as follows:—

1 Copy — The Dewan
2 Copies — The 1st & the 2nd
1 Copy — The Secretary
1 do — The Asst Secy

and the remg 7 copies will be

2. Another point will refer to the Gradation list received from the Offg Senior Surgeon is submitted for orders. On page 52 of the list is given the name of Hospital Apptt D. B. Latchmana Mudaliar, among the Hospital Apptts of the 2nd class. His main promotion from the 3rd to the 2nd class had been suspended for ~~debarred~~ one year by Govt in their orders of the 29th January, 1902, as a punishment for his having copied the answer papers of another Candidate at the ~~final~~ promotion examination. Under those orders, it seems that previous sanction of Govt is necessary before promoting this Hospital Apptt to the 2nd class. Without obtaining such previous sanction the Senior Surgeon has promoted D. B. Latchmana Mudr to the 2nd class, ~~and~~ from the 23rd January 1903, and the Comptroller has been paying him in the pay of that class. On this subject, please see orders of the 2nd Councillor on the Current Year's Medical Budget Estimates (Papers with flag A) in the Refce file put up)

Note Contd

3 The enquiry ordered above was made in this Office docket No 42295 dated the 14th November, 1903. In reply, the Offg Senior Surgeon invites the attention of Govt to their order of the 29th January 1902, which he states, furnishes the info called for from them. The order referred to by them directed that the promotion of Hospital Apptt D.B. Lakshamana Mudr from the 3rd to the 2nd Class should be withheld for at least one year, but it did not give them authority to promote the Hospital Apptt after the expiry of that period. It seems that the Offg Senior Surgeon should have made a reference to Govt on the subject and obtained their orders before promoting the Hospital Apptt referred to. Submitted for orders

I believe there has been
a misapprehension - Govt
did not intend that the promo-

for longer than one year in
case the Head of the Deptt thought
that at the end of that period
it might be given - as I said

been read the order of Govt dated 14/11/03 both the Comptroller and the Senior Surgeon seem by implication to have felt themselves justified in ~~[illegible]~~ looking the clause to have been the intention or rather expectation of Govt – the latter need not now be pursued further – A notification by Govt has not been made and it may now be opined with little observation that by implication that it ought not to have been anticipated either by the Senior Surgeon or by the Comptroller – The question was as it evident one of convenience and the official concerned ought not to be made to suffer – The Comptroller explanation is not satisfactory to keep us in any way in the dark as to the merits of the case and I would not therefore call for it.

Dear Col. Smyth,

Kindly see and return the accompanying papers - As I read it, and I hope you will agree with me, para 2 of G.O. dated 29 January 1902 dis not per se authorize the promotion of Hospital Asstt. Lakshmana Mood from the 3rd to the 2nd cla with effect from the 23rd January 03. No promotion was sanctioned but Govt considered that "promotion should be withheld for at least a year". If at the end of a year or of such subsequent period as the Senior Surgeon co

Surgeon thought proper
it was deemed fair
that the man should
be given his rise, a
recommendation should
I think, have been
made and sanction
obtained followed by
the necessary Government
Notification – This was
not done and yet pro-
motion has been given
and the G.O of 29th Janry
02 has been quoted as
an authority in support
of it.

Don't you think
please that your reply
requires revision! As
matters stand, ~~the~~ the
promotion must I am
afraid be deemed un
authorised.

With kind regards
Yrs Sincerely

Dear Mr. Mayor
2-11-20

Yours of the 10th regarding the promotion of Patrolman Joseph Arnold to Lieutenant, — I certainly think the wording of the P.O. warrants the belief that the intention was to promote the successful contestant at good salary of at least one year. The Controller took the same view — vide his slip enclosed — which I have initialled. Now done with. Sincerely yours

Dear Mr. Nanjundayya,

Re Hospital Assistant Lakshmana Mudaliar's promotion:-

.....

Kindly see the file herewith including the demi official correspondence between myself and Col. Smyth. I am afraid our order was not sufficiently precise and explicit. Both the Comptroller and the Senior Surgeon seem to have consequently misread and misinterpreted it. Postponement of promotion for a year was all that was intended. May we not therefore modify the draft order please ?

Yours sincerely,

C. Srinivasaraya

H. V. Nanjundayya, Esq., M.A., M.L.,

My dear Mr. Sreenivasaiengar,

The Promotion of Hospl Assistants requires the express sanction of Government. I do not know of any process of reasoning which would justify the Senior Surgeon and the Comptroller from inferring such sanction from the negative order withholding promotion for a year: But [illegible] they seem to have so

understood it. It must be taken of course that it was a bona fide difference of opinion. In the latter case, it may be an error of the Head of a Department. Before the Govt. would be justified in taking action in the matter, we should have the proceedings call for and examine them also. Hence trouble - I By the way Senior Surgeon
